

Special Ministries of Livingston County Volunteer Criminal Background Check Policy

In keeping with the policy of the agency to prohibit harassment, abuse and neglect of recipients of service, it is the intent of the Board to take reasonable precautions in the screening of all volunteers who will have direct contact with participants and recipients of services. It is therefore the policy of Special Ministries that all volunteers be subject to a pre-screening, conviction only, criminal background check and that thereafter criminal background checks will be made annually as a term of continued participation as a volunteer.
